Join RELA Philadelphia to tour the Philadelphia Navy Yard. Once the nation's busiest naval shipyard, Korman Communities, Ensemble Real Estate Investments and Mosaic Development Partners have partnered to create the first residential offerings at The Navy Yard. Comprised of two unique and complimentary apartment communities, AVE Navy Yard expands upon the Navy Yard's growth and success as a thoughtfully executed, sustainable home to 150 companies, diverse eateries and sprawling green spaces. AVE Normandy and AVE Constitution are pioneering the city's first new neighborhood in a generation.
