Real Estate Lenders Association

RELA NATIONAL MENTORSHIP PROGRAM & NETWORKING KICK-OFF

Tuesday, December 1st, 2026
6:00 PM - 7:00 PM

ZOOM

RELA National is excited to announce the 2026-2027 National Mentorship Program. The program offers the opportunity for young members and senior leaders to connect across chapters.

- Mentees will benefit from valuable one-on-one mentoring from seasoned lenders, developing career-lasting industry relationships in the process
- Mentors have the opportunity to grow the RELA community by guiding our young members who will be the next cohort of leaders in our industry
- We will be hosting a kick-off networking event featuring small group breakout sessions over Zoom
- If you cannot make the kick-off event, you are still welcome to sign up to participate in the program. Please click "**Register**" below and select the dropdown "**I am not able to participate the networking event, but still wish to participate in the program**”**.**

Program details are provided below:

Eligibility: Mentees and mentors are required to be registered RELA members or participating under a corporate RELA membership

Duration: December through June – we ask that you commit to the duration of the program

Pairings: Within one week of kick-off, the program team will make one on one pairs

Meeting Frequency/Mentor Time Commitment: Pairs should meet every 4-6 weeks, or as desired by each pairing

Format: Given the national nature of the program, your mentor/mentee may be in the same or different geography. You can indicate your preference at sign up and RELA will accommodate based on availability. Using Zoom or meeting in person is at the discretion of the pair.

The program is being offered this year to members from the following chapters:

Boston, DC, Philadelphia, Chicago, and the West Coast (California)

OPEN TO MEMBERS ONLY

Register Now

Members in NY and NJ are encouraged to join their chapters local program.

Members in South Florida, Philadelphia, and West (Denver) should let their chapter leadership know if they are interested in participating next year.
